BIRTHDATE: February 17, 1952
Los Angeles, California

EDUCATION: Graduated from the Teheran American High School (Teheran, Iran) in 1970
Attended the American College of Switzerland from Fall of 1970 to summer of 1971
Attended Art Center College of Design in Pasadena, California for three years (1972 to 1975)

WORK: Worked as a cashier at the American Embassy in Teheran, Iran (1968 to 1970)
Developed and produced visual aids for Pacific Telephone Company in Los Angeles, California. These visual aids were used to teach Company employees telephone systems (1976 to 1978)
Worked for Magic Mountain (an amusement park) in Valencia, California for three years. I was responsible for keeping the park clean during operating hours (supervising several crews). Also, I worked as a designer in the Park's design department for awhile.
Worked for Marriott's Great America (an amusement park) in Santa Clara, California for a year. I was the supervisor for Main Gate Operations, i.e., ticket sales, guest relations and tours.
Worked as a designer (Aircraft Interior Stylist) for Lockheed Aircraft Company in Burbank, California for four years. I worked on interiors for the L-1011 (similar to Boeing's 747) and also for some other specialized aircraft being developed for the Navy at the Skunk Works.
Owned and operated my own business (art galleries) in Alaska for 12 years. I sold Alaskan art to tourists who were visiting Alaska during the summers.
Worked as the director of The Vogthaus Foundation in Ravensburg, Germany (helped to start up the Foundation) from July to November 2007
Have been working as a business English teacher in the Lake Constance area of Germany for a variety of companies and schools (and private students) for over eleven years.

INTERESTS: I enjoy meeting people. Also, I enjoy the outdoors and a number of sports. As a child and teenager I grew up in many parts of the world, and so I enjoy the different cultures.
